## What is a chat room?

A CHAT ROOM IS A PLACE WHERE YOU CAN TALK TO OTHER PEOPLE WITH A PROFILE BY TYPING. YOU CAN TALK TO ANYONE ELSE WHO HAS A PROFILE AS LONG AS YOU HAVE THERE PROFILE. IT IS SAFE AS LONG AS YOU TALK TO PEOPLE YOU KNOW.

## WHAT YOU SHOULD NOT DO IN A CHAT ROOM.

YOU SHOULDN'T TALK TO STRANGERS.  
DON'T GIVE YOUR PHONE NUMBER TO STRANGERS.  
DON'T AGREE TO MEET SOMEONE YOU MET ONLINE IN PERSON. IF THE PERSON YOU ARE TALKING TO PRESSURES YOU FOR YOU PHONE NUMBER OR ADDRESS DON'T TALK TO THEM.

## TIPS.

**1) if you are not sure what to do in a chat room go on cyber smart web sites and learn how to be safe. if you say no to meeting someone in person and they wont let it go don't talk to them. if someone is really mean or is annoying you you can block or delete**
